

Monday Trip Information for Otago Hunt Inc Jubilee Week

**OTAGO HUNT INC
MIDDLEMARCH 2023**

Direct emails will be sent to attendees of your trip, once the details are finalised. First in First served for these trips.

4WD Trip

Outram Rodeo Club will be hosting this for us, and I can guarantee lots of laughs with this crew!! Numbers will be dependant on the number of drivers available. We are thinking to limit to 50 paying attendees. A packed lunch will be provided for you. BYO any liquid refreshments you require!! 2 tracks will be organised – a good view, fine weather track and a lower down alternative if the weather doesn't play ball!!!!

Macraes Gold Mine Tour

Middlemarch and the surrounding areas is rich in gold and history. The gold mine in Macraes Flat is the largest working gold mine in New Zealand. The trip includes a bus trip to the mine with views of the mining operation and surrounding gold country. You will also see the Middlemarch Submarine. Followed by lunch at the historic Stanley's Hotel.

Curling at Naseby

Try your hand at Curling at the picturesque township of Naseby. You will be bussed to the curling rink. Warm clothes and a woolly hat wouldn't go amiss. Lunch will be provided and there is also a bar on site.

Garden Tour

You will visit some of the local gardens in the Middlemarch township before lunching in a lovely garden on the road to Dunedin. There will be the option to walk around the only Inland Salt Lake , at Sutton in the afternoon. This is about a 60 minute round trip easy walk to work off lunch!

Clay Bird Shooting at Cottesbrook

Once again, you will be well entertained by the local lads!!! Lunch and liquid refreshments will be included, as you aim for those targets!
